## JOURNALISTIC AMENITIES.

Few cities have had such fun out of the president's visit as have Seattle and Tacoma. Before Roosevelt came they fought and squabbled like cats, but now they are united in their admiration of the world of their presence by gobbling one another up. Now that the president has gone, the bitterness of conflict has become merely personal, and to the public a great source of amusement.

Sammy Perkins, the publisher of the Tacoma Ledger, has been accused by in double column black-type editorials over the pages of the Seattle Times, of having intruded without invitation upon the presidential party in Seattle. Sammy comes back by calling Blithen a gibbering egoist, and declaring his sheet to be conducted by the "longest leashed liar in the world."

Then to convulse the public still further, Colonel Blithen writes as follows: In the Times:

"Returning to Sixth avenue west the president and his party drew rein in front of the Blithen mansion expecting to have a word with the editor—but unfortunately the editor works Sunday evenings from 3:20 to 7:30—and thus lost the opportunity to once more greet the president under extraordinary circumstances."

Thus the only blot upon the president's tour described in feeling terms. Sadly, probably with tears in his eyes, President Roosevelt turned away from the empty house. After all the miles of tedious travel, the plaudits of the people that thrilled but could not entirely satisfy his heart, after all these to be denied an all-joyful handshake with him who daily violates the laws of punctuation in the Seattle Times.

Have we no historical painter with sense enough to grasp the possibilities of such a subject—"Roosevelt weeping before the empty Blithen mansion."

## GOD HELPS THOSE—

That there will be a prompt and adequate response to theory for help that goes up from the desolated cities in the flood districts cannot be doubted. So far as sympathy and pecuniary aid may suffice for those who have lost friends and home they will be provided for. So much is only a matter of certainty, for the American people, who open their purses freely to assist the starving Hindoo or the oppressed Russian Jew, will not be behind-hand where their own kin is concerned. It is not, however, in the practical sympathy of outsiders that the brightest result of the devastation is to be found but rather in the wonderful recuperative power of the people that have undergone such a terrible calamity. Among them there is no whining for help; they help themselves. Before the waters fall, measures are already under way for the repairing of the damage they have caused, and while the ruins of the old home still smoulder plans are drawn for the new one.

# CRUSHES OUT THE LIFE

The most loathsome and repulsive of all living things is the serpent, and the vilest and most degrading of all human diseases is Contagious Blood Poison. The serpent sinks its fangs into the flesh and almost instantly the poison passes through the entire body. Contagious Blood Poison, beginning with a little ulcer, soon contaminates every drop of blood and spreads throughout the whole system. Painful swellings appear in the groins, a red rash and copper colored spots break out on the body, the mouth and throat become ulcerated, and the hair and eye brows fall out; but these symptoms are mild compared to the wretchedness and suffering that come in the latter stages of the disease, when it attacks the bones and more vital parts of the body. It is then that Contagious Blood Poison is seen in all its hideousness. The deep eating abscesses and sickening ulcers and tumors show the whole system is corrupted and poisoned, and unless relief comes soon this serpent disease tightens its coils and crushes out the life. The only antidote for the awful virus is S. S. S. It is nature's remedy, composed entirely of vegetable ingredients. S. S. S. destroys every vestige of the poison, purifies the blood and removes all danger of transmitting the awful taint to others. Nothing else will do this. Strong mineral remedies, like mercury and potash, dry up the sores and drive in the disease, but do not cure permanently. Send for our home treatment book and write us if in need of medical advice or special information. This will cost you nothing.

Baltimore, June 2.—William Andrews, a sailor whose tongue and tonsils were recently removed at the city hospital in an operation for cancer, can still talk. Even a portion of the larynx was clipped off. A small hole was left in the throat just above the larynx so that the patient could breathe. While the physicians were renewing the dressing, the patient surprised them by speaking indistinctly. He continues to talk when ever the dressing is removed but the doctors say he will die within a year owing to the spread of the cancerous affection.

## A STARTLING TEST.

To save a life Dr. T. G. Ferritt, of No. McShann, Pa., made a startling test resulting in a wonderful cure. He writes "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained from the first, and has not had an attack in 14 months." Electric Bitters are positively guaranteed for Dyspepsia, constipation and kidney troubles. Try them. Only 50 cents at Charles Rogers' drug store.

## A SURE THING.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van Metre of Sheperstown, W. Va., says: "I had a severe case of bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It is infallible for croup, whooping cough, grip, pneumonia and consumption. Try it. It's guaranteed by Charles Rogers, druggist. Trial bottles free. Reg. size 50 cents, \$1.

## WORTH A THOUGHT.

This statement will interest scores of Astoria Readers.

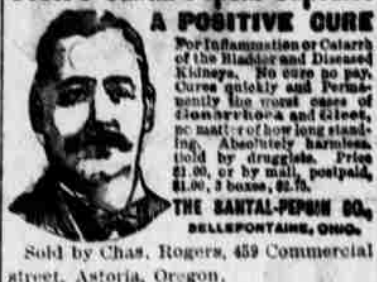

The facts given below are worth a perusal by all who are anxious about their physical condition or are similarly situated to this resident of Portland. It is a local occurrence and can be thoroughly investigated.

B. Merdith, the well known brick mason contractor and builder, of Portland, who lives at 561-21st street, says: "Doan's Kidney Pills is one of the best remedies I ever used and I cheerfully recommend them to any one suffering with kidney trouble. I was bothered for years with attacks of my complaint and no medicine gave me permanent relief until I procured Doan's Kidney Pills. I was so well pleased with them that when my wife had a severe attack a short time ago and could hardly get about to do her work I had her take Doan's Kidney Pills. In two or three days they strengthened her up in fine shape. We both endorse the claims made for Doan's Kidney Pills and have nothing but the highest terms of praise for such a valuable remedy."

"Plenty more proof like this from Astoria people. Call at the drug store of Charles Rogers and ask what his customers report."
